Sasha

fucking hot, man!

There's not a single physical aspect of her that isn't hot, hot, hotter than hell. The long, brunette hair. The small breasts (please, Sasha, I beg of you to never get breast enhancement!), the round ass, and the little bit of muff that I just want to sniff if only for a moment. I bet she smells like fresh, in-season tangerines. Something fruity.

Now, do I like watching this dreamgirl shoving a big purple dildo into her cookie? Damn right I do! That pussy deserves 24-hour pleasing. I just wish it was my dick that was in there. I know she'd like it, because she really likes getting fucked. I've seen her movies and she totally gets into it. Yeah, I'd nail her. And you can tell her that.

Cracker Jim

Casper, WY

Dear Cracker,

You couldn't be more right about Sasha's beauty. She is a rare find and we're happy to have any little piece of her we can get, even if it means watching her diddle herself with a dildo. We'd like to get a piece of that action, too, but there's a long line for that!

Dear HAWK,

You had me at the cover, or I should say Sasha Grey had me at the cover. She may be your Babe of the Month, but she's my Babe of the Year, maybe even my Babe of Forever. Is there a more beautiful girl in the adult industry? I don't know, but if there is, I expect you to track her down and show her to us, because Sasha is

Dear HAWK,

I was looking through your magazine and I saw this girl Michelle Honeywell. First off, let me say that her honeywell is one gorgeous piece of pussy, all shaved and wet, and I bet she comes from a long line of women with great-looking snatches, thus the name.

I must say, I feel like I got more than I

Michelle

Georgia

deserved when she spread her lips and allowed me to look deep inside her puss. A guy like me could get lost in there, and I wouldn't be looking for a way out, no way. I wonder how big a dick she could fit in there. I'm not really that big, but I bet I could get her off. I'm pretty good in the sack, though I'm sure this sweet thing could show me a thing or two. I wonder if she likes doggie-style, because that's my favorite. Looking at the girl's ass and maybe squeezing it a little and watching my pecker slide in and out. Yeah, I think I'll go do that with Michelle right now. Thanks, Hawk!

Terry
Asbury Park, NJ

Dear Terry,
It is true that surnames were traditionally reflective of something about a person, usually their line of work. We hadn't made this connection with Miss Honeywell, but it does make sense. That's one fine-looking snatch, and it seems perfectly reasonable that over hundreds of years of fine pussies, the family took on the name. Great observation, Terry, we like the way you think!

Dear HAWK,
Stunning. I don't know Georgia personally, but I saw her in your magazine in September and I was on a train and I bet I disappeared into the lavatory half a dozen times. My dick was hard the whole way. I

don't even have the magazine open right now and just thinking of her gives me a stiffy.

I would like to suggest that she has the finest body of any girl in your magazine, at least for September, and I know there were some real sweet-looking gals in there. But there's something about her long, dark hair, that gorgeous face, the small but obviously firm breasts, her perfect physical tone (do you think she goes to the gym a lot or is she just naturally like that?), her shaved pussy (I assume it's shaved—maybe some girls come hairless these days?), and two great legs leading up to a perfect ass. I ask you, what's not to love?

I was down with the whole lagoon thing, but when she came out with the vibrator, I knew I was in for a treat. I had kept wondering what it would look like to see something slide into that pussy, and I found out—it looked super hot!

Jamie
Platteville, WI

Dear Jamie,
Your observations are solid and valued. We agree that Georgia is one pretty little peach. You are correct, she seems to be without flaw, and that's exactly why she appeared in our magazine.

As for her body tone, we were curious, too, so we made a couple calls and from what we understand, she feasts on fast food and candy. These crazy girls, they can do

anything they want and they'll always be gorgeous! Wish we could do the same. A couple desserts and all of a sudden we're some sort of health hazard. It's just not fair!

Dear HAWK,

I'm not usually too interested in seeing two chicks go at it unless they're doing it in my bed (or any other room in my house, I'm not picky), but seeing Jana Jordan and Sabrina Star devouring each other, that's what I'm talking about! If that's what lesbianism is all about, I say bring it on! I loved the way they took those dildos to each other. Such care, such sensuality. Next time I want to be there!

Frank
Long Beach, CA

Dear Frank,

You're not going to find a much hotter pairing than those two, and while there are readers who find girl/girl photos boring, we do our research to only bring you the best—the photos of girls who really love girls, and Jana and Sabrina are sure a pair of those. And, really, in a way, you were there. Every time you look at those pictures in HAWK, you are there!

Jahcee

Our little swinger here is Jahcee Ann, and she reminds us of a scoop of vanilla ice cream—so smooth, so creamy, so lickable! Jahcee loves to get fucked while riding panty-free on the swing—she says the penetration feels so intense on the upswing. You know, you're making us dizzy with desire, Jahcee—let us know when you're back on good, green earth—we'd love to "plow" you there!

Tori

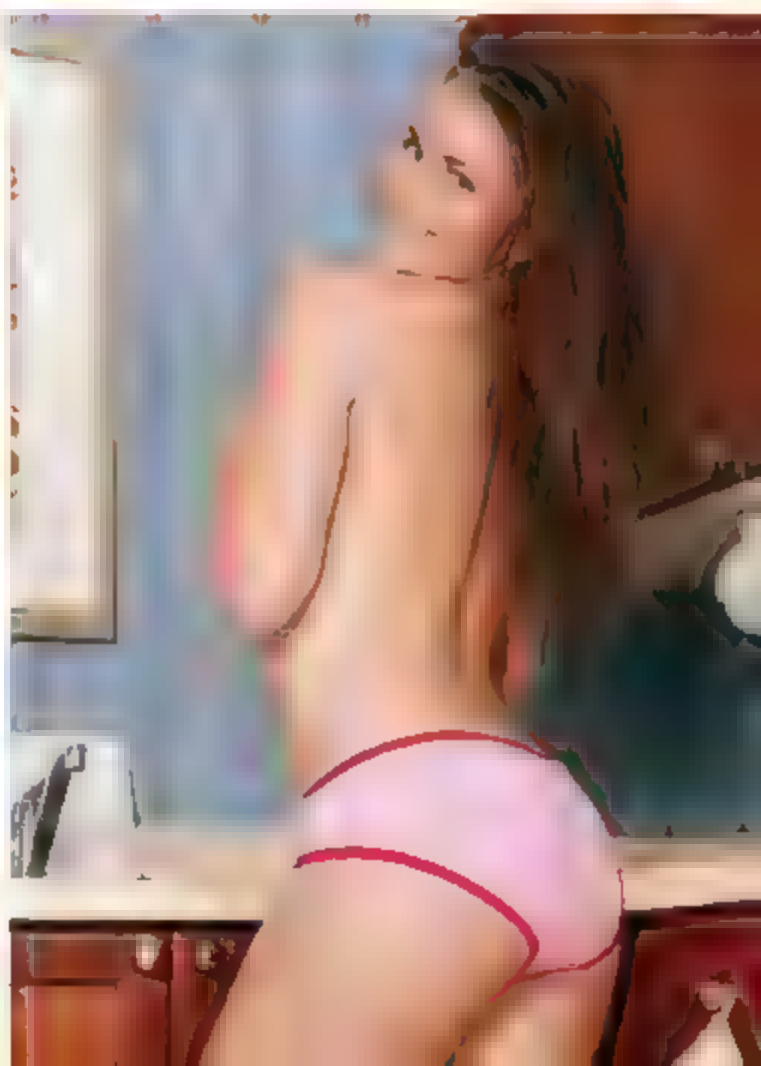

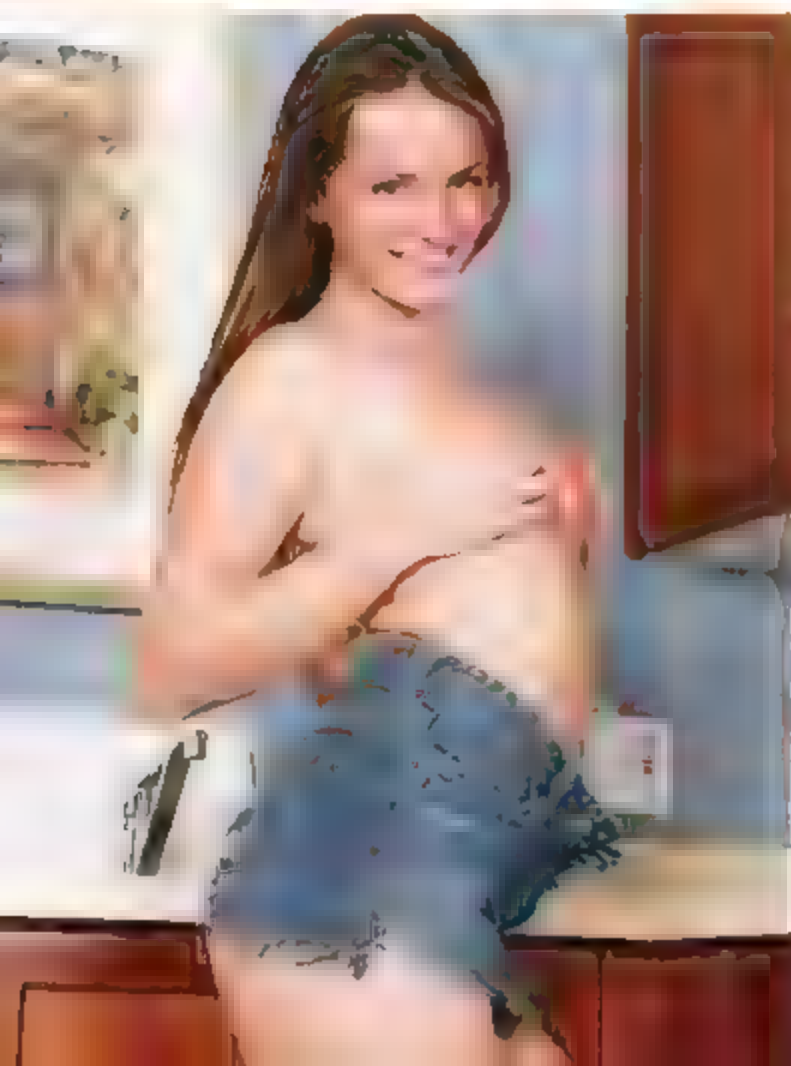

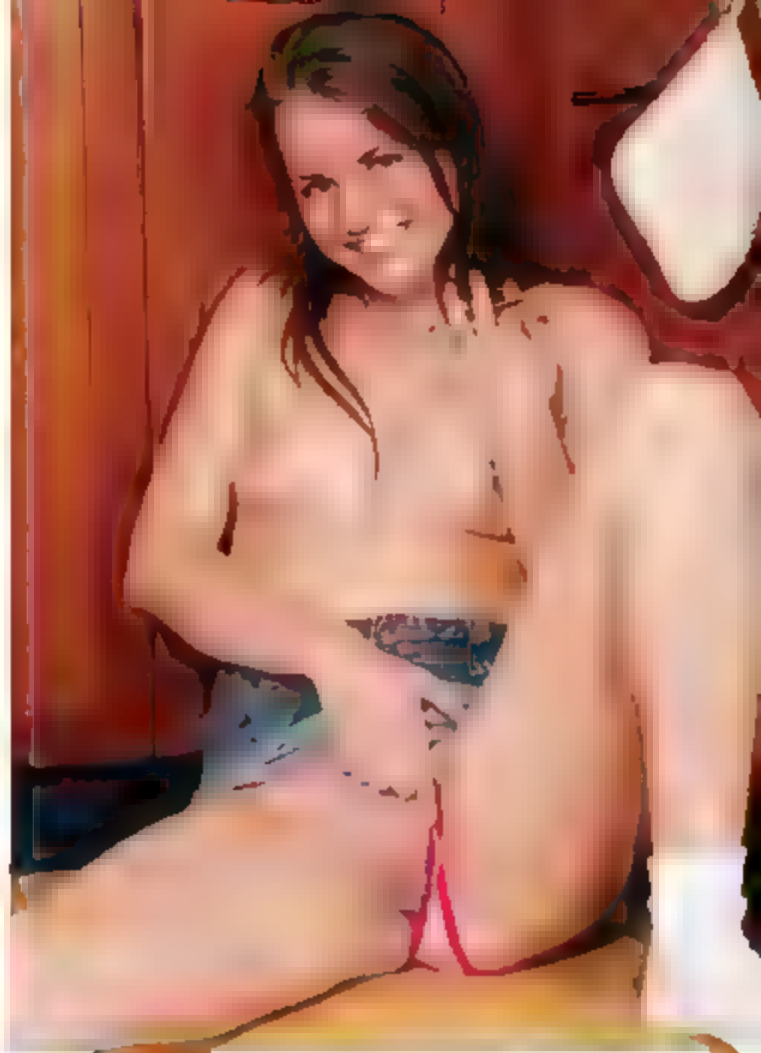

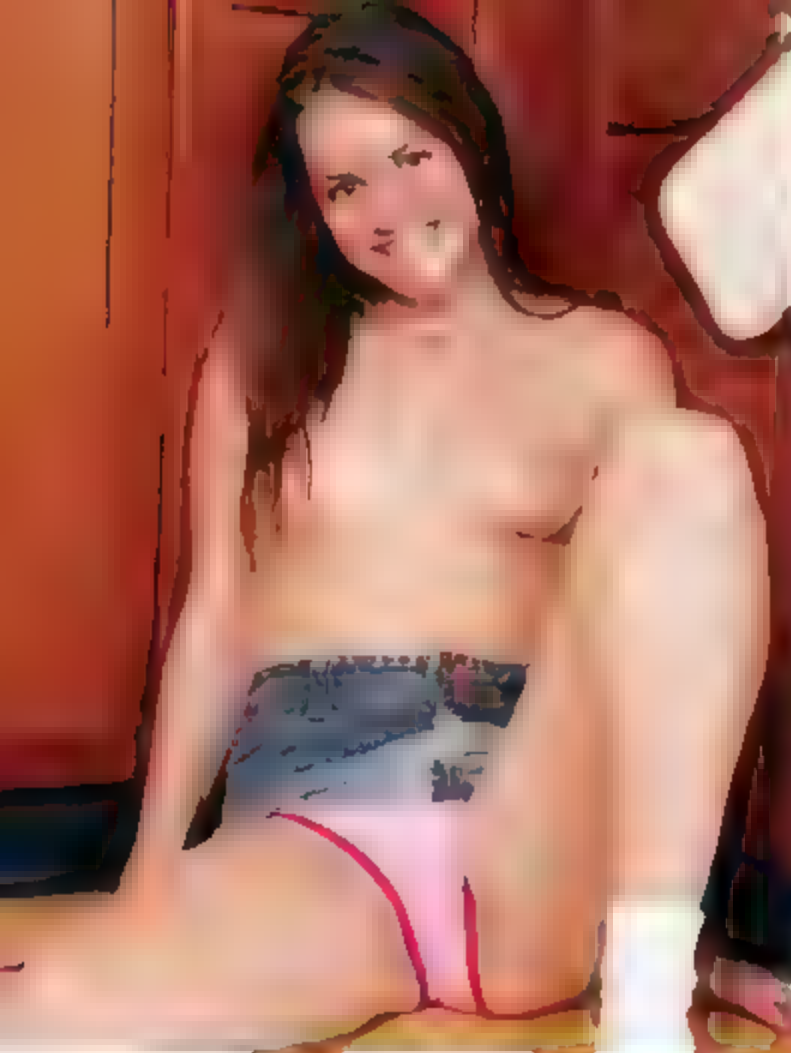

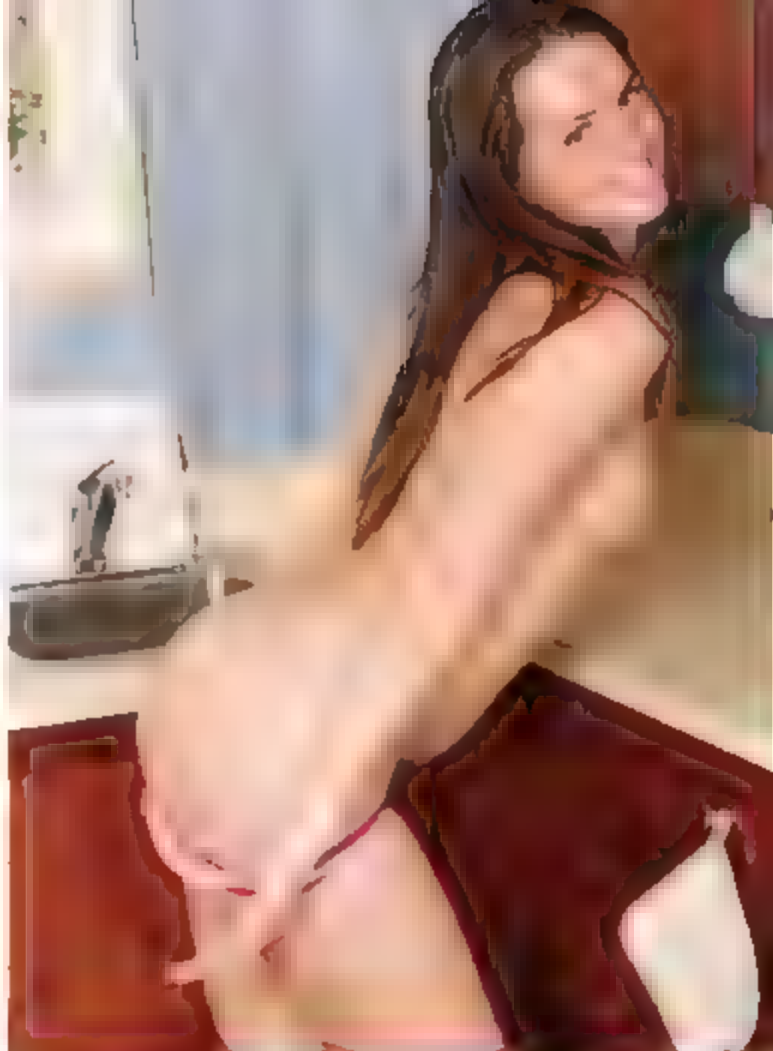

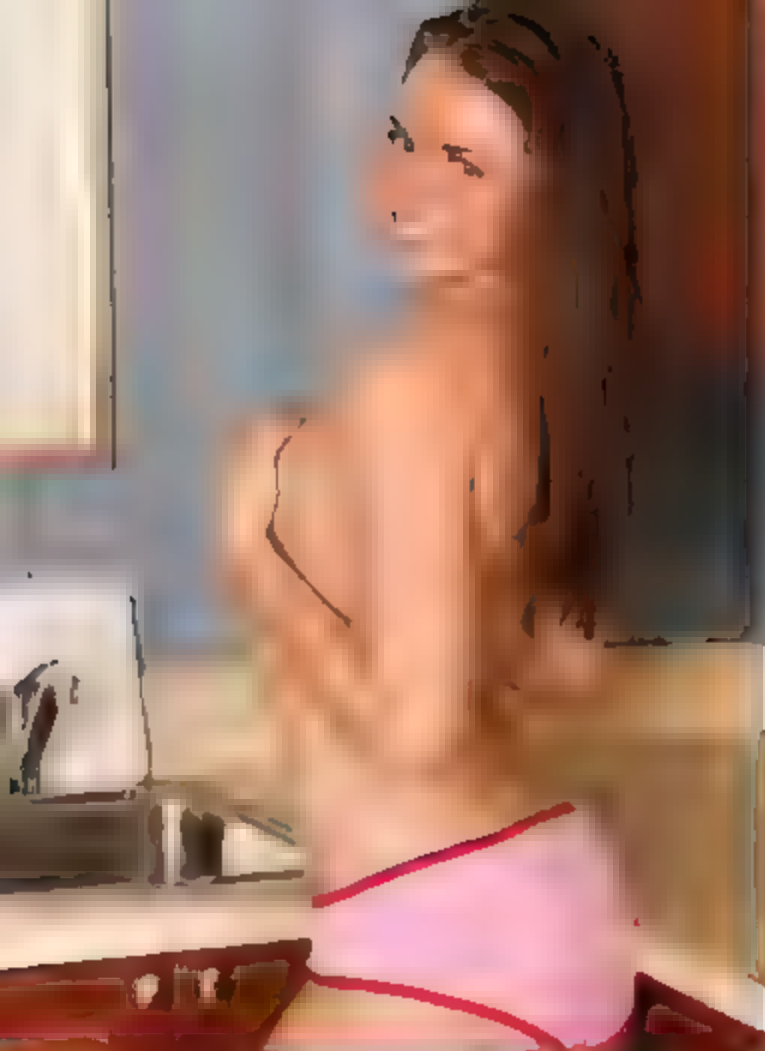

Tori Black is one of an exciting new breed of young porn starlets. She's totally adorable and she totally loves to have sex. In fact, when the XXX cameras aren't rolling, Tori's still out there fulfilling her nymphy needs, taking on horny guys wherever she can find them. We wish this radiant beauty would come visit us at the HAWK offices—we'd be eager to provide another Tori story!

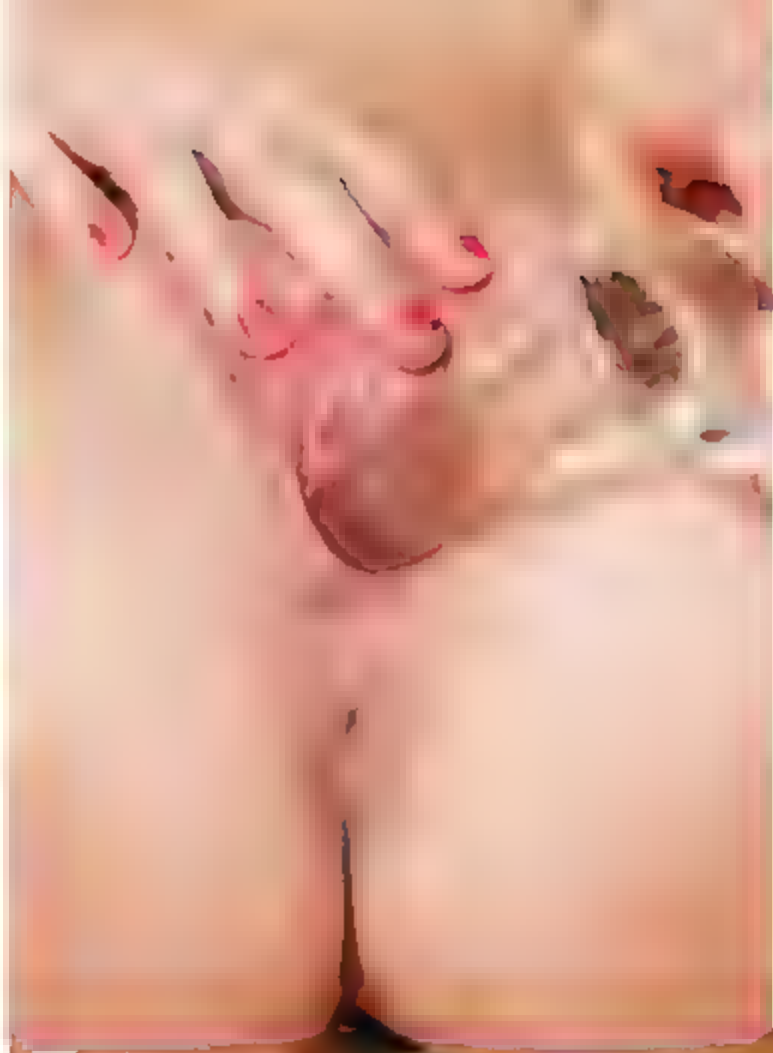

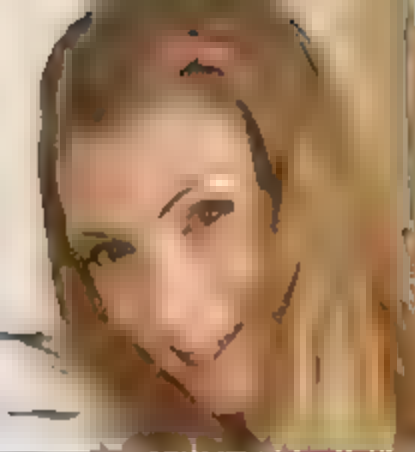

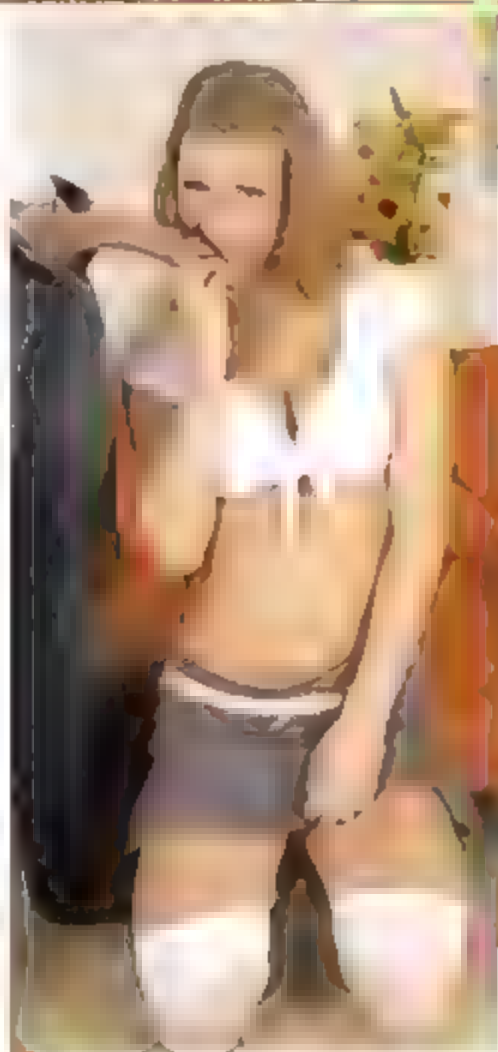

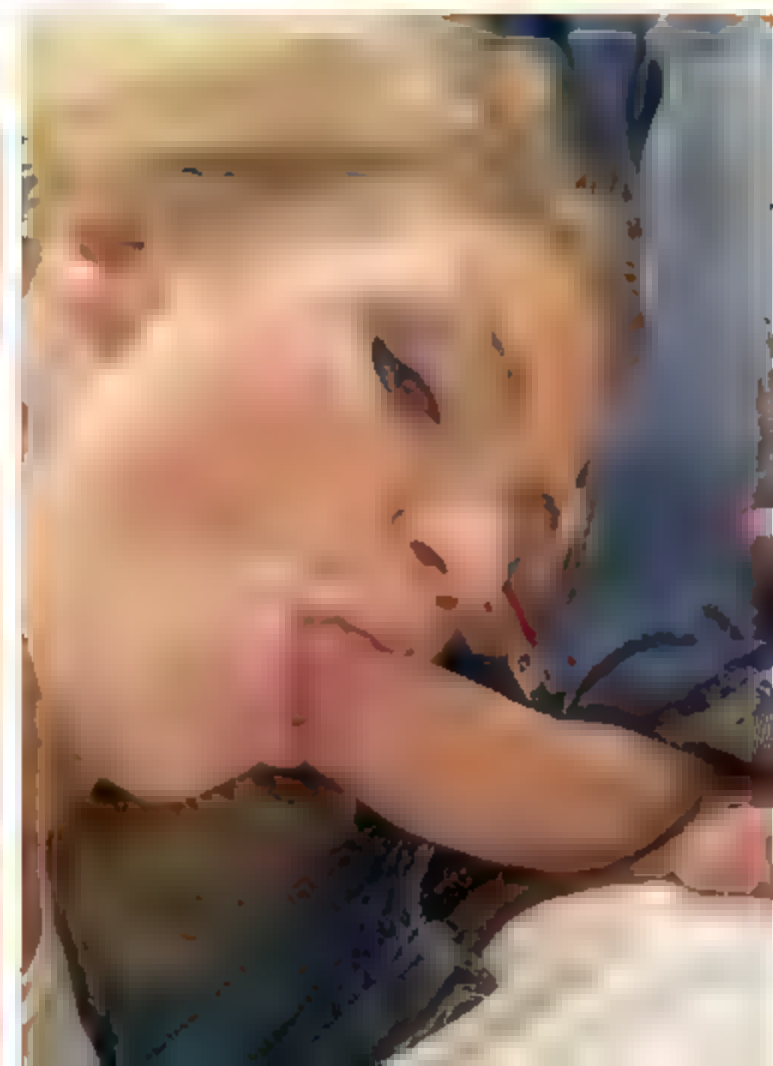

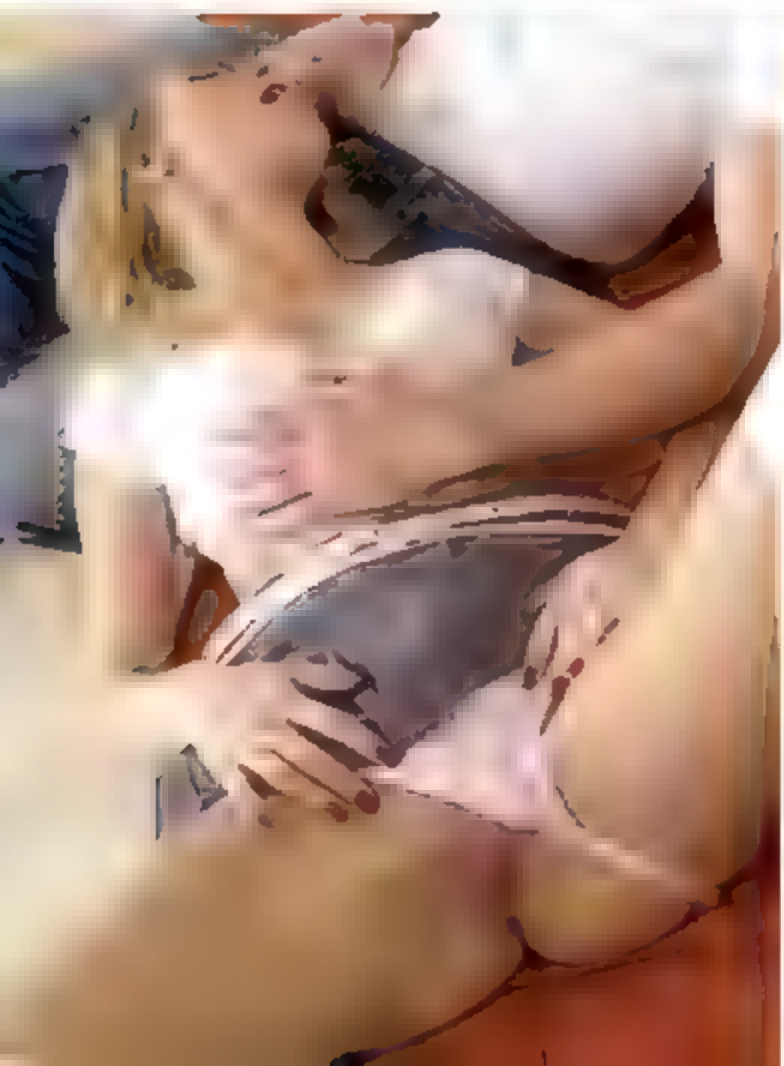

Eleanor

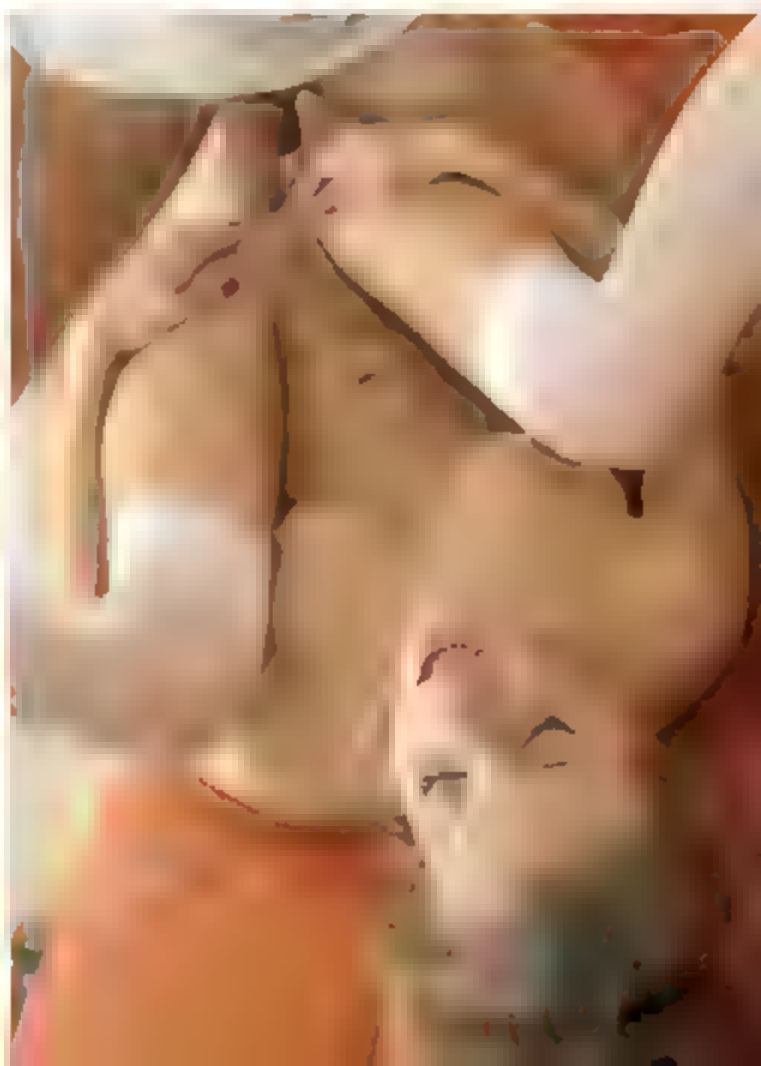

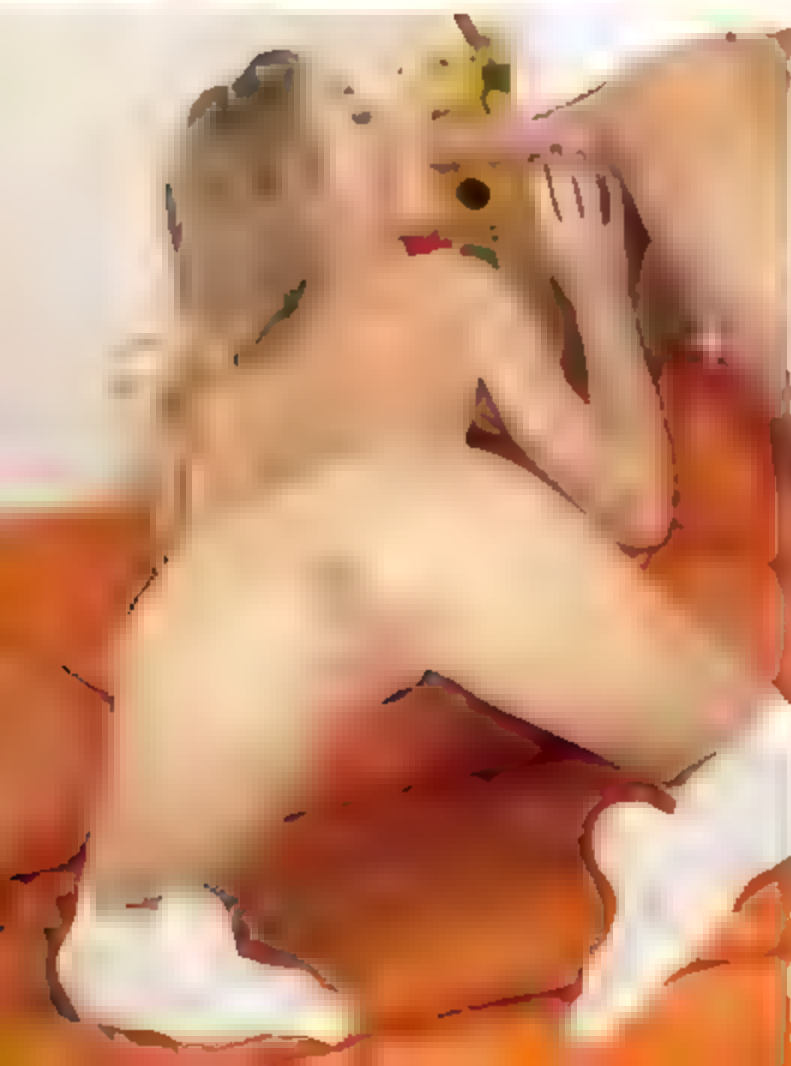

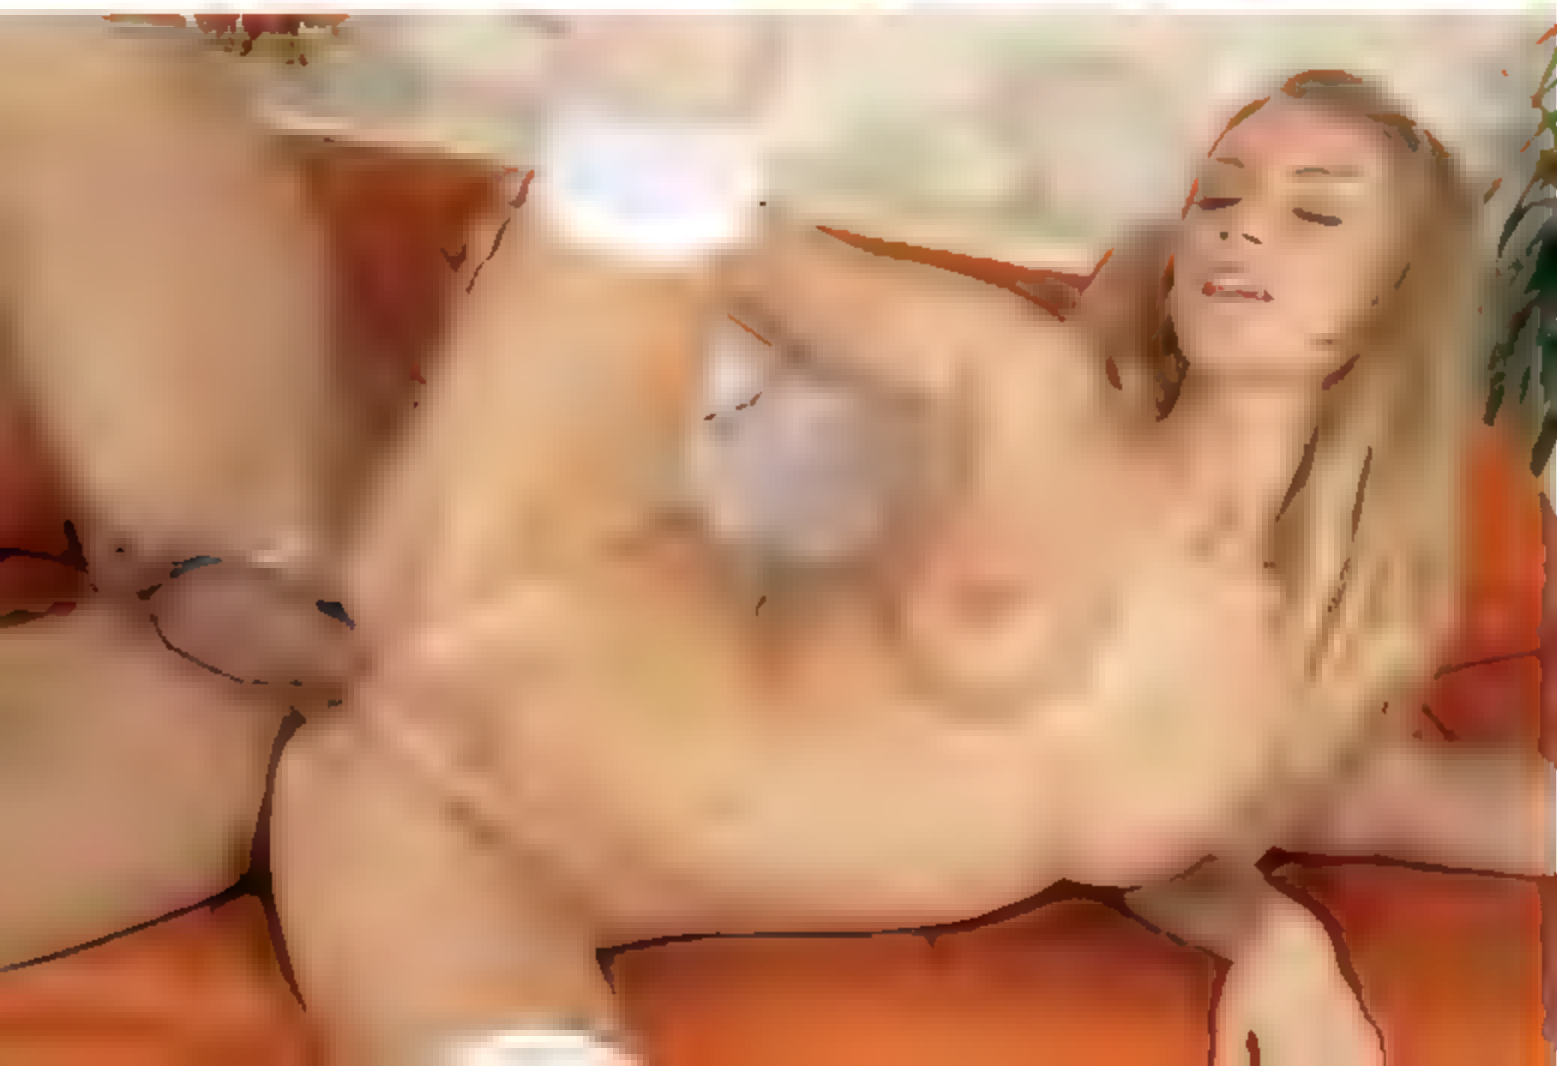

This Euro sex kitten is Eleanor, and she is making us weak-kneed and rock-hard! Watching her satisfy her guy friend here is making us awfully jealous—how she sucks that cock, the way she gets her pretty pink pussy fucked in every position . . . and the look of appreciation when she finally receives that lust-load on her shiny face. What we need is more Eleanor to go 'round . . . especially 'round here!

CUM STAINED CASTING COUCH 12

Story By Acme Andersson

MADISON IVY

Ht 4'11"

Wt 40

Home state California

Gentlemen John Strong

Marco Barajas

She's blonde with big, bedroom eyes. She says everyone she's ever fucked has told her that she's an amazing fuck. She sure looks amazing, girleen with playful nipples and a surprisingly full ass. Her snatch is beefy and she gets it wet in no time by sliding in a finger, then two, and fucking herself hard and fast. But no need for her to bother, she's got a couple guys who'll happily do it for her.

John and Marco pop in and immediately she mouths them eagerly. Soon they bend her over on her hands and knees and John rams her twat while she continues to blow Marco. John rams her hard from the get-go, and she has no problem taking it, even with a huge cock plopped in her mouth. "Fuck me," she encourages, "fuck me hard!" Soon she's being plowed so hard, she can't suck cock anymore, so she just jerks Marco and then her pussy tightens as she cums on John's cock.

Marco takes his turn, Madison climbing on top and riding him high and hard, his massive cock completely immersed in her meaty twat. John steps up and she sucks him off while she rides. When it's time for her to cum again, she does so with great fanfare.

After about half an hour of trading spaces, the guys decide to blow their own loads. As Madison settles on the floor on her knees, she plays with her pussy as each guy drops his load into her open mouth. She swallows it and sticks out her tongue to prove it.

MORNING STAR

Ht 5'6"

Wt 120

Gentlemen John Strong, Mark Wood Morning thinks she has what it takes to become a porn star, and not just because she has "Star" in her name. She has long, slender legs, nipples that pop out, and an ass that will get her a ton of work if she can do the job. And then there's the pussy, all puffy and ready for cock. She plays around with it, gets it wet, and soon enough Mark and John enter the scene and she shows them

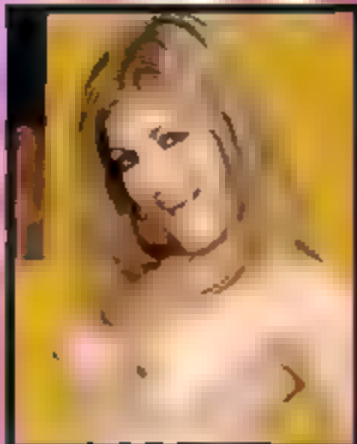

Now in its 12th volume you know the casting couch has seen some serious action, but this volume just may be the best yet. Five very fine-looking gals line up for their turn to be tested out by Porn Valley's A-list talent to see if they've got what it takes to be true porn stars. At the risk of spoiling any surprises, these ladies all pass the test—and then some.

That's right, they're no-namers right now—well, not literally, they do have names—but the future could be bright for this fierce fivesome. All but one takes on a pair of pro cocks, and they do it with a natural ability that is inspiring not only to the performers, but also to us viewers. It's always good to know that there is a crop of capable young ladies coming right around the corner. As they say, great porn keeps the world going 'round.

her blowjob skills. Mark is obviously impressed, which says something, considering the guy does this for a living (not to mention is married to Francesca Lé, so he gets it like crazy at home, tool). John is equally pleased with her ability, and it only makes him want to test her pussy all that much more.

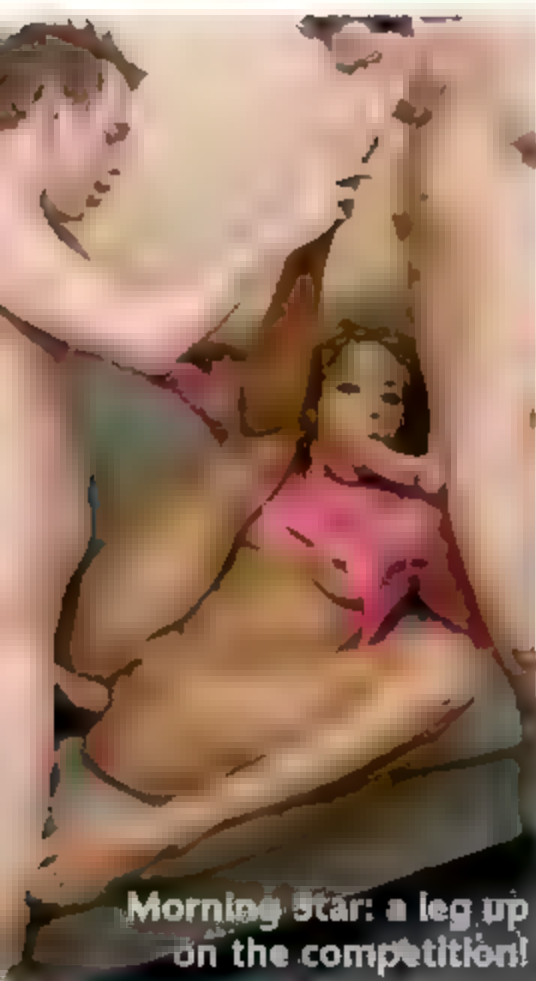

She gets on top of Mark, who gives her the ramrod from below, her full booty jiggling joyously, then climbs over and rides John as Mark strokes himself, watching her bumper bounce. John then puts her on her back and rails her on the end of the couch as she reaches back for support. Her legs spread wide, she cums hard on his tool and then Mark jumps in, plays the same game, and makes her cum all over again.

When the boys go to unload, John goes first, a long stream crossing her face while the follow-up gives her a kind of thin cum mustache. Mark then takes aim and gets her mouth and surrounding area. "I think you've got potential," John tells the smiling beauty. Does she ever!

CASSIE ROSE

Wt 125

Gentlemen Mr. Pete

Cassie moved from Sacramento to Porn Valley for one thing, and you don't have to guess what that is. As director John tells her, she's got the T&A for porn, and he wants his pal Mr. Pete to take her for a test drive. She, of course, is all for it. That's what she came all this way for.

Pete takes her feet first, sucking on her toes then kissing her while rubbing his cock against her panty-covered cooch. Then she does her sucking test, even showing off her multi-tasking skills by reaching over to handle the cameraman's cock. But it's Pete's cock that is the focus here, and after blowing him, she bends over on the well-worn couch and Pete pounds her from behind as her pussy spreads open and she calls out for him to fuck her and fuck her harder.

She gets on reverse cowgirl and wiggles around on his member until she finds her spot and then she hits it until she cums, all the while Pete's

fingers working their magic on her clit. After some more maneuvers they go back to doggie and that's where Pete loses his load. He pulls out in the nick of time and she turns around quickly to catch it on her face. She rubs it around, smiles, and waves goodbye.

JAMIE LAMORE

Ht 5'

Wt 77

Home state California

Gentlemen John Strong Tony T

"I wanna see if I can make it as a porn star and I hear this is the place to go," she tells John before the scene. He asks her if she thinks she has what it takes, and she says she does. Well, John will be the judge of that.

He's eager, because Jamie is not only cute as a button, she's 18 and fresh as a daisy. Still, he lets Tony test her first and she's a natural sword-swallower. After enjoying some oral, Tony gets her panties off and she gets up on top and very slowly lowers her tight snatch onto his oversized manhood. She starts slow, getting used to his mass, but soon she's wet and loose and he's pounding her hard. "Omigod, your dick feels

so good!" she tells him. After Tony's rammed and crammed for a while she asks if there's a second dick available, so John steps in and jumps right into her well-tested pussy. He gets her on her back and she holds her legs back, moaning wildly as he hangs on to her small tits and she screams that she's cumming.

Finally one of the guys asks her to get on her knees and they take turns plastering her face with their cream filling. Face covered in cum, she looks into the camera with her big, brown eyes and offers a smile of pure joy. It's a look that's worth a thousand words, or at least a thousand dollars.

BROOKE CHERRY

Ht 5'3"

Wt 105

Home state Florida

Gentlemen Sascha Steven French

Brooke isn't a tall girl, but she makes some big claims. She says she's going to be a great porn star because her pussy is the tightest and she gives the best blowjobs. The best?! Well, this sounds like something a couple pros need to look into.

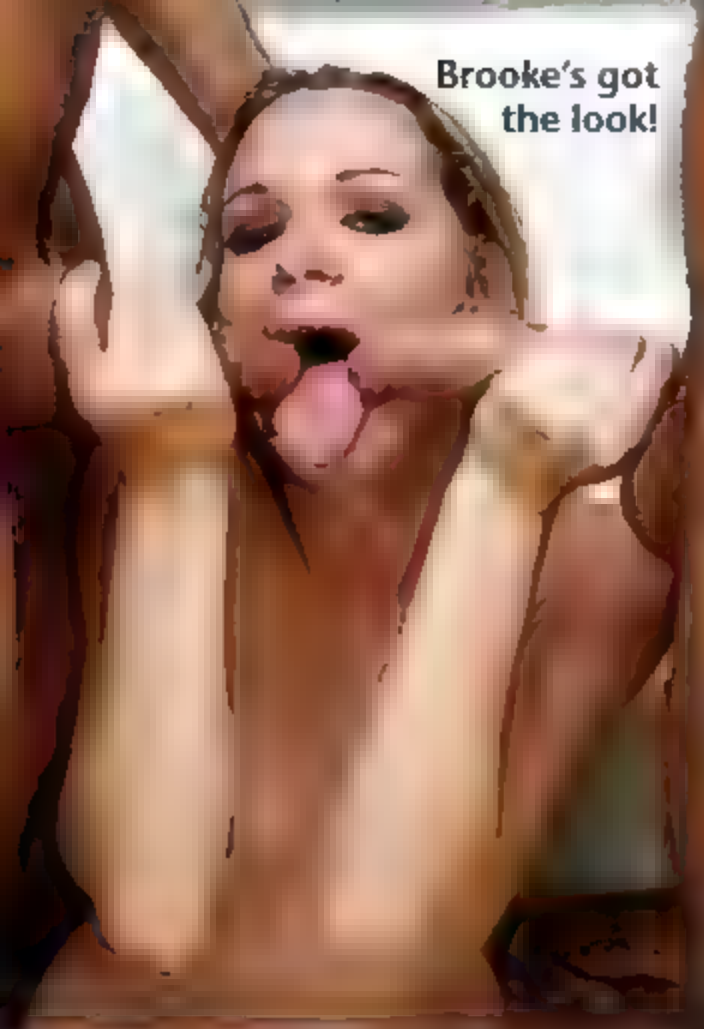

She shows off her body to John, who's duly impressed, but he said the final decision is up to Sascha and Steven. She rubs herself wet and then the guys show up and she greedily gobbles on their knobs. They undress her as she takes turns blowing them, then Sascha works her twat with two fingers and she cums while jerking off Steven. Big O out of the way, the fucking can begin. She jumps up on Steven and rides his cock high and hard as he holds her tight for balance. Then he literally passes her on to Sascha and then stands up on the couch and shoves his dick in her mouth.

She gets off plenty during the scene, so it's only fair that the guys get to spill their juice on her pretty, little face. One at a time they blast her. Covered in cum, she thanks them, then asks if she made the cut. "Oh, you definitely made the cut," John tells her enthusiastically.
